Musical Learning in the Preschool Classroom

Music has a powerful impact on learning and understanding new concepts in your classroom. This workshop will give you the opportunity to learn new curriculum ideas using music, movement, and music picture books.

We'll also "create music" as well! Presenter: Ginger Acopiado

Flannel Boards, Puppets and Props- Let's Revisit These Classic Storytelling Methods

Do you feel like your group time is a struggle, children are so energetic they can't sit still? Let's revisit flannel board stories, puppets and other circle time props to create an exciting circle time that grabs children's attention and helps them focus. We'll talk about story selection, creating flannel stories, materials, storage, puppets and other circle props. Please note, drawing skills are not required. Original creations will be on display. There will be an opportunity to create your own flannel board story. Please bring sharp scissors (for cutting through felt/materials) and a gallon zip lock bag to hold your creations. Presenter: Carrie Rafalski
